A reservation designated as the Southwestern Alaska Fisheries Reservation, having been created by the Executive Order of November 3, 1922, the Uganik Packing Company, whose home office is at Kodiak, Alaska, is hereby authorized to operate its plant for the salting of herring for commercial purposes on the northeast arm of Uganik Bay, within Zone Three of the Kodiak-Afognak District of the said reservation, during the calendar year 1923, under the following conditions:

1. That the company may operate one herring seine, one herring pound, and one pound seine in Uganik Bay and adjacent waters of Zone Three of this district. That this provision does not permit the use of herring purse seines within the bays and harbors of the Afognak Reservation unless they are manned by natives who are authorized to fish.

3. That the company shall observe the existing laws and regulations for the protection of the fisheries of Alaska and for the administration of the said reservation (copies of which are attached hereto and the conditions of which are made a part of this permit), as well as those that may hereafter be enacted or promulgated for such purposes.
4. That this permit expires December 31, 1923, is not transferable, and is revocable at any time at the pleasure of the Secretary of Commerce.
